Date of Release: March 28, 2017

Re: National Crime Victims' Rights Week event with the members of the District Attorney's Office

Date: April 6, 2017, 9:00 a.m. to 11:00 a.m.

Location: Panama Bay Coffee Co.  
289 Mare Island Way  
Vallejo, California

On April 6, 2017, representatives from the Solano County District Attorney's Office and community members will have the opportunity to come together in an informal setting to discuss community issues, build relationships, and bring awareness to crime victims' rights, all while enjoying a hot cup of coffee. Members of the public are invited to stop by Panama Bay Coffee Co. in Vallejo to participate in this event. The event runs from 9:00 to 11:00 a.m.

In honor of National Crime Victims' Rights Week, the District Attorney's Office is providing this unique opportunity for community members to meet directly with their prosecution team in an effort to bring greater awareness to crime victims' rights. This year's theme for National Crime Victims' Rights week is to stand with **STRENGTH, RESILIENCE AND JUSTICE**. The District Attorney's Office believes this presents an opportunity to highlight the diversity of our communities by expanding our partnerships with those who serve victims of crime and empowering crime victims as they pursue justice and recovery.

Members of the public who attend can also obtain information about the various programs and victim services offered by the District Attorney's Office. Additionally, questions about the Office's work within the criminal justice system and the Solano County Courts are also encouraged. The goal of this event is to strengthen the relationship between the District Attorney's Office and the community.

The District Attorney's Office is dedicated to raising awareness and seeking justice for all crime victims by promoting victims' rights and honoring crime victims, as well as those who advocate on their behalf. Throughout the year, the Solano County District Attorney's Office encourages all individuals and organizations to play a role in making Solano County a better place for children and families.
