MHSA Refresher

# **MENTAL HEALTH SERVICES ACT:**

In 2004 California voters passed **Proposition 63**, the landmark Mental Health Services Act (MHSA) imposing a 1% tax on annual personal incomes in excess of \$1,000,000 to expand mental health services.

Requires each county to create a MHSA Plan every 3 years in order to provide a state-of-the-art, culturally responsive continuum of care that promotes wellness and recovery.

#### **MHSA Mission & Values**

Community engagement and collaboration

Promotes cultural responsive services

Decreases stigma

Increases access to unserved and underserved groups

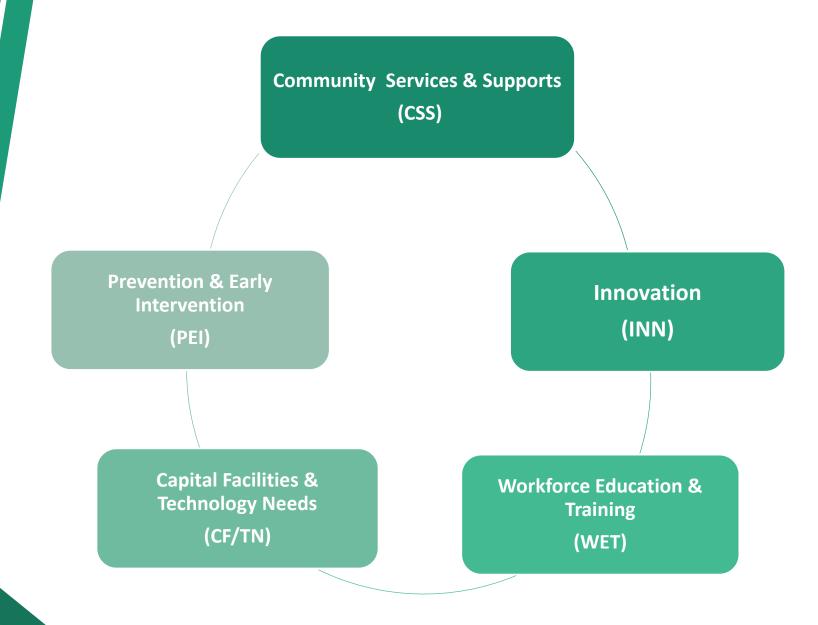

Creates individual and family-driven programs

Philosophy of a wellness, recovery and resilience

Promotes an integrated service experience

Outcome-based programs

MHSA
Program
Components

#### **Prevention & Early Intervention (PEI)**

- 19% of the total funds received annually
- Countywide Stigma Reduction & Suicide Prevention
- Support to prevent individuals from developing mental health conditions and/or to serve those with mild-to-moderate mental health conditions
- 51% of the funds must be spent on individuals 25 years and younger

#### Innovation (INN)

- 5% of the total funds received annually
- Funds **new innovative** service strategies or models with an emphasis on increasing access to unserved/underserved
- Typically 3 year projects, and with special approval up to 5 years
- Counites have to do a separate CPP process and separate Innovation Plan that has to be presented to and approved by the state Mental Health Services Oversight and Accountability Commission (MHSOAC)
- Emphasis on sharing lessons learned with other counites and finding a way to make a program/project sustainable after INN project timeline ends

#### **Community Services & Supports (CSS)**

- Largest funding stream, 76% of total amount received annually
- Intended to provide support and services for individuals of all ages who have more serious or severe mental health conditions
- 51% of the funds must to be spent on funding Full Service Partnership (FSP) programs

#### **Workforce Education & Training (WET)**

• Used to help counties train staff in evidence-based models/practices, provide intern stipends to increase diverse workforce, and cultural responsivity training. \*Only a 10 year funding stream **no new money since 2014**.

#### Capital Facilities & Technological Needs (CF/TN)

• Used to help counties develop electronic health records and enhance their facilities used as sites to provide direct services for seriously mentally ill (SMI) consumers. \*Only a 10 year funding stream **no new money since 2014**.

\*Counties can transfer up to 20% of CSS funds to support ongoing WET & CF/TN initiatives and/or to Prudent Reserve

# MHSA Updates

Impact of COVID-19 & State and Local MHSA Updates

### Impact of COVID-19

Solano County Behavioral Health had a \$4.5Millon budget shortage

To address this and to preserve core services the following actions were taken:

- Moved core County funded positions and one adult contract to MHSA
- Conservative reduction for non-MHSA funded contracts
- Froze vacant County positions
- Plan step downs from County level services to primary care and reduction in inpatient hospitalizations

It is anticipated that in FY 2022/23 there will be a decrease in incoming MHSA funds for each county due to COVID-19

# State Level Updates

- State OSHPD Workforce Education and Training (WET) 5 Year
   Plan
  - OSHPD is providing \$210M and required CA counties to collectively provide a 33% match
  - 5 Regions in CA submitted joint WET Plans
  - Solano is part of the Bay Area Region
    - Primary focus is on reinstating the mental health loan assumption program
    - Solano's contribution \$128,910
- Legislative Updates & DHCS Information Notices (IN)
  - IN 19-019
    - DHCS will conduct separate triennial program reviews of local MHSA programming started January 2019 and Solano is up for review February 2021
  - IN 19-037
    - Caps the local Prudent Reserve at **33**% of the average Community Services Supports (CSS) revenue received in the preceding 5 years
  - AB 81 Public Health Funding-MHSA flexibility due to COVID
    - Extended time to submit new 3-Year Plans & Annual Updates
    - Allowed transfer of Prudent Reserve to PEI & CSS
    - Flexibility in how CSS funding is allocated during FY 2020/21
    - Extended funds that were reverting in June 2020 through June 2021
  - AB 2265 Peer Specialist Certification signed by Governor Newsom September 25, 2020!!

# Local MHSA Updates

#### New Programs

- Bridge Transitional Housing Caminar (May 2020)
