Re: Solano County Jail Justice Facility PREA Audit – Final Report

Sheriff Ferrara,

Correctional Consulting Services LLC conducted a Prison Rape Elimination Act (PREA) audit on the Solano County Detention Center from July 8, 2019 through July 12, 2019. (17) Seventeen PREA Standard deficiencies were identified and documented in the PREA Audit Interim Summary Report. All 17 non-compliant Standards were corrected during the 180-day Corrective Action period, in collaboration with the auditor and the PREA Coordinator, following the Interim Audit. The auditor has determined that the Solano County Detention Center complies with each of the PREA Standards as identified in the attached Final Report.

PREA Coordinator, Lieutenant William Elbert and staff were instrumental in correcting the deficiencies identified in the Interim PREA Report. I commend your staff for their professionalism and hard work. The Final Audit Report is attached. The attached Final report is to be made available to the public through the Agency website within 90-days of Agency's receipt of the Final Report.

Should there be any questions or concerns, please feel free to contact me.
