Re: Solano County Jail Claybank Facility PREA Audit – Final Summary Report

Sheriff Ferrara:

Correctional Consulting Services LLC conducted a Prison Rape Elimination Act (PREA) audit on the Solano County Jail Claybank Facility from August 10, 2021 through August 13, 2021. (6) Six PREA Standard deficiencies were identified and documented in the attached PREA Audit Interim Summary Report. The deficiencies place the Solano County Jail Claybank Facility into the 180-day Corrective Action period with a deadline of 3/27/2022. The PREA Coordinator and staff have brought the Claybank facility in compliance with the Standards requiring Corrective Action.

PREA Coordinator, Lieutenant Craig Collins and PREA Compliance Manager Joshua Esquibel have collaborated with me to assist in the completion of the Final PREA Audit Summary Report. I commend your staff for their professionalism and hard work. The Final PREA Audit Summary Report is attached. Upon receipt, the Final Audit Summary Report is to be made public on the Agency website within 90 days per PREA Standard 115.403.

Should you have any questions or concerns, please feel free to contact me. It was a pleasure working with your staff.
