

Brokerage & Placement

Service Code: 90882

Brokerage and Placement is a service solely for the purpose of coordinating placement of a client upon discharge from a Psychiatric Inpatient Hospital, Psychiatric Health Facility (PHF), Institute of Mental Disease (IMD), or Psychiatric Nursing Facility. This service may be provided during the 30 calendar days immediately prior to the day of discharge to a community-based unlocked setting, for a maximum of three nonconsecutive periods of 30 calendar days or less, per continuous stay in the facility. This code cannot be used for clients between the ages of 22 and 64 unless the psychiatric facility has 16 beds or less.

Who Can Use This Code?

	Physician	PA	NP	RN	RN with MH/MA	LVN or Psych Tech	L/R/W Psych	L/R/W LCSW/ASW, MFT/MFTI, LPCC/LPCCI	Trainee - post BA/BS and pre MA/MS/PhD	MHRS	Other, Unlicensed
Brokerage & Placement	Y	Y	Y	Y	Y	Y	Y	Y	Y	Y	Y

Billable Services Include:

- ✓ Case management services solely for coordinating discharge of a client from a psychiatric facility to the community

Non-Billable Activities Include:

- ✗ Conducting the assessment or developing the plan while a client is in an inpatient setting (see MHSVLOCK code)

A Good Brokerage & Placement Note Includes:

- Information about discharge plan and timeline
- Details regarding coordination between providers, placements, and resources for client's return to the community
- The name of the program/agency and role of other people in which information is exchanged and the purpose of the communication
- Documentation of the presence of a valid and current ROI if client's protected health information is disclosed

See Chart below for Lockouts & Other Limitations

Lockouts & Other Limitations

Location of Client	TCM	Brokerage & Placement
Crisis Stabilization Unit	Reimbursable during the same time crisis stabilization is provided. (No other specialty mental health service is reimbursable during the same period that Crisis Stabilization is reimbursed)	Cannot be billed.
