**INSTALLMENT PLAN INFORMATION
FOR REDEMPTION OF PRIOR YEAR DELINQUENT TAXES**

Pursuant to Section 4217 of the Revenue and Taxation Code, any person may elect to pay prior year delinquent taxes in installments subject to certain conditions and restrictions. The following information has been prepared to explain the more important features of this plan.

The installment plan is defined as a 5 pay plan, which provides for an initial payment of 20%, or more, of the prior year delinquent amount. The prior year delinquent amount includes the delinquent taxes, penalties, costs, interest, and fees. **Four subsequent payments must be made on or before April 10 of each year.** The amount of these installments will consist of the minimum 20%, **plus** interest computed at the rate of 1.5 % per month on the unpaid balance.

The installment plan is contingent upon payment of all current fiscal year property taxes, which must also be paid by **April 10 each year.** Supplemental and/or escaped assessment taxes **must** also be paid timely to keep the installment plan in good standing.

Failure to make the proper payments timely of the **20% installment amount, plus interest, the current year taxes,** and any supplemental and/or escaped assessment taxes, will nullify the installment plan agreement.

Please Note: If you default your 5 Pay Plan the account will be recalculated to reinstate interest on the total amount of defaulted taxes beginning with the original date of default.

An installment payment plan cannot be initiated after the fifth year or third year for commercial property following the declaration of tax-default or if the property has become subject to the tax collector's power to sell.

A **signed** Installment Plan Agreement **must** be submitted along with the \$60 processing and maintenance fee (Revenue & Taxation Code §4217(b)(2)) to initiate the installment plan.

These provisions are the basic features of the installment plan of redemption. To obtain additional information, please contact the Treasurer-Tax Collector-County Clerk's Office.
