

# **Announcing** **Suisun Valley Strategic Plan** *Implementing the Solano County General Plan*

## **SUISUN VALLEY STAKEHOLDERS WORKING SESSIONS**

---

A series of Stakeholder Working Sessions are scheduled as part of the Suisun Valley Strategic Plan development. The initial Suisun Valley Strategic Plan Community Kick-off Meeting, held on January 20, 2009, provided an overview of the planning process initiated by the adoption of the new General Plan. Studies prepared by the American Farm Land Trust, UC Davis' Solano County Agricultural Futures Project, and Suisun Valley Funds' Marketing Plan are included in the strategic plan process.

The next step in the process, three Stakeholder Working Sessions, will incorporate recommendations and findings outlined in the Kick-off meeting, and invite Suisun Valley stakeholders to review and evaluate various alternatives for key components of the plan for Suisun Valley:

1. Suisun Valley Stakeholders Working Session 1

Topic: Agricultural Tourist Center Location Alternatives  
Time: Tuesday, March 17, 2009, 6 p.m. to 8 p.m.  
Location: County Administrative Center, 1st Floor Multi Purpose Room 1610/1620  
675 Texas Street, Fairfield, CA 94533

2. Suisun Valley Stakeholders Working Session 2

Topics: Zoning & Development Standards  
Infrastructure Alternatives  
Roadway Character & Design  
Time: Monday, March 30, 2009, 6 p.m. to 8 p.m.  
Location: County Administrative Center, 1st Floor Multi Purpose Room 1610/1620  
675 Texas Street, Fairfield, CA 94533

3. Suisun Valley Stakeholders Working Session 3

Topics: Development Fees & Improvement Funding  
Marketing & Branding  
Time: Monday, April 20, 6p.m. to 8 p.m.  
Location: County Administrative Center, 1st Floor Multi Purpose Room 1610/1620  
675 Texas Street, Fairfield, CA 94533

The primary purpose of these working sessions is to review and refine planning approaches and alternatives for presentation at a second Suisun Valley Strategic Plan Community Workshop that will be scheduled in May 2009.

You are invited to attend these working sessions. There will be opportunity at the working sessions to provide comments and input. Information for each of the working sessions will be posted on the Solano County Resource Management, Planning Services website prior to the

meeting dates – [www.solanocounty.com](http://www.solanocounty.com). Additional information on the new General Plan and previous planning studies for the Suisun Valley are available on the General Plan website: [www.solanocountygeneralplan.net](http://www.solanocountygeneralplan.net).
