

COUNTY OF SOLANO

EQUIPMENT SERVICE ATTENDANT (SENIOR)

DEFINITION

Under direction, inspects, services, lubricates, and performs minor repairs to light and heavy equipment; schedules use of fleet vehicles and operates a small service station; performs related duties as required.

DISTINGUISHING CHARACTERISTICS

This is an advanced level class performing routine servicing and some skilled mechanical repairs on light, and heavy equipment and operating a small service station. Assistance is provided to users of County vehicles and equipment mechanics. Work is performed independently. This class is distinguished from that of Equipment Mechanic in that the latter performs all mechanical repairs and requires considerable technical and diagnostic expertise.

EXANPLES OF DUTIES

Duties may include but are not limited to the following:

1. Fuels mobile equipment and checks fluid levels; mounts, rotates and repairs tires; changes oil, lubes vehicles, inspects brakes, inspects steering and suspension systems, checks tires and lighting systems.
2. Repacks wheel bearings or replaces as needed; removes and replaces shock abs, orbers, mufflers, catalytic converters, tail pipes and related clamps and hangers, radiators, water pumps, thermostats, clamps and hoses.
3. Installs warning beacons, headlights, taillights and minor electrical devices; installs and repairs tires on all types of passenger vehicles and equipment in the shop and in the field.
4. Picks up and delivers parts and makes service calls; washes and/or steam cleans autos and trucks; operates a tow and/or tire truck.
5. Schedules use of fleet vehicles and operates a small service station; may make some skilled repairs under direction of an equipment mechanic.

QUALIFICATION GUIDELINES

EDUCATION AND/OR EXPERIENCE

Considerable automotive service experience which included public contact and vehicle scheduling and which demonstrates possession of and competency in requisite knowledge and abilities.

Equipment Service Attendant (Senior)
