Non-Disposal Facility Element Update 2024

Staff: JT Lee, Solano County / JTLee@solanocounty.com

Effective January 1, 2012, there are no longer specific regulatory requirements for public noticing or approval to update an NDFE pursuant to AB 341, Chapter 4.5, Statutes of 2011. Jurisdictions should provide to the County any changes to facilities processing its recyclables and/or organics, or when siting a new nondisposal facility within its boundaries, that were not previously identified in the current NDFE. It is the County's responsibility to submit NDFE updates to CalRecycle to append the updated information currently on their file.
