**DEPARTMENTAL RECOMMENDATION:**

It is recommended that the Board approve the Solano County Criminal Justice Administrative Fees based on Government Code sections 29550, 29551 and 29552: prorated booking fee and jail access fee for Fiscal Year 2008/2009, adopt a resolution containing written findings and determinations, and implementing the fees.

**SUMMARY:**

The Criminal Justice Administrative (Booking) Fees represent the cost to book an individual into the Solano County's jail system. Government Code (GC) section 29550 authorizes a county to impose a fee on local law enforcement agencies for costs incurred in processing and booking persons by the agency and brought to the county facilities for booking and detention.

Effective July 1, 2007, GC §§ 29551 and 29552 provide that a county may apply to the Controller to receive funding for local detention facilities and related equipment when an appropriation is made by the Legislature for that purpose. In addition, when the State appropriates \$35 million, a county would be prohibited from collecting the fees authorized by GC § 29550. If the full appropriation is not available, a county may collect a portion of the booking fees, as capped by the statute.

Additionally, the new law authorizes a county to collect a jail access fee for the cost of booking and processing persons arrested for non-felony offenses, as specified by the new law, in addition to any funds received from the State appropriation.

These funds and fees shall be deposited in a local detention facility revenue account, established by the board of supervisors for the sheriff, and the funds shall be used exclusively for the purpose of operation, renovation, remodeling or constructing local detention facilities and related equipment.

**FINANCING:**

(1) Based on the California State Sheriffs' Association estimated appropriation of \$31.5 million for fiscal year 2008/09, the Solano County Sheriff's Office will receive from the State approximately \$763,210. (2) The prorated portion of the booking fee will generate approximately \$18,529 of revenues. (3) The impact of the Jail Access Fee could not be determined by the Sheriff at this time.

**DISCUSSION:**

Effective July 1, 2007, GC §§ 29551 and 29552 established a new process for a county to recover its cost of booking an inmate. The law authorizes a new State annual subvention of \$35 million, subject to appropriation, for the operation, maintenance or construction of local detention facilities. In addition, it prohibits counties from charging general booking fees under GC § 29550.

Under the new law, Solano County will receive a portion of the State's appropriation. In the event the appropriation is less than the minimum amount of \$35 million established by statute, the County can recover the difference by charging booking fees to the cities and other governmental agencies. This fee is based on the FY 2005/2006 booking fee rate, adjusted by the Consumer Price Index plus 1% compounded annually (GC § 29551 (d)). The State booking fee appropriation for FY 2008/09 is estimated at \$31.5 million; therefore, Solano County will be able to charge prorated booking fee for FY2008/09 at \$10.99 (Attachment B).

Also, the Board can establish a jail access fee (GC § 29551 (b)). The jail access fee proposed is calculated at \$285.19 for fiscal year 2008/09 (Attachment C).

If approved by the Board, these fees shall take effect on July 1, 2008.

**ALTERNATIVES:**

The Board may choose not to approve the Booking and Jail Access Fees for FY 2008/09 as recommended; however, failure to approve these fees will result in the revenue loss of at least \$18,529 in booking fees. Also, it will prevent the Sheriff from recovering its costs for non-felony bookings for certain offenses from jail access fees.

**OTHER AGENCY INVOLVEMENT:**

The staff of the Sheriff's Office provided the statistical data used in the calculation of the Solano County Criminal Justice Administrative (Booking) Fees. County Counsel advised us as to the required procedure to change the fees, and prepared the attached resolution for your adoption. The CAO also reviewed and concurs with the recommendations contained in this report.

RESOLUTION OF THE SOLANO COUNTY BOARD OF SUPERVISORS  
ADOPTING FINDINGS ON IMPOSING CRIMINAL JUSTICE ADMINISTRATION FEES  
FOR THE SOLANO COUNTY SHERIFF'S DEPARTMENT FOR FISCAL YEAR  
2008/2009

WHEREAS, effective July 1, 2007, Government Code sections 29551 and 29552 authorize a new State subvention of \$35 million annually, subject to appropriation, for the operation, maintenance or construction of the local detention facilities and prohibit a county from charging general booking fees under Government Code section 29550; and

WHEREAS, in the event the appropriation is less than the minimum amount of \$35 million, Government Code section 29551 (d) authorizes a county to recover the difference by charging prorated booking fees to the cities and other governmental agencies using a fee based on the FY 2005/06 booking fee rate, adjusted by the Consumer Price Index plus 1% compounded annually; and

WHEREAS, Solano County's prorated booking fee rate for FY 2008/09 is \$10.99; and

WHEREAS, Government Code section 29551 (b) authorizes the Board of Supervisors to establish a jail access fee that exceeds the County's three-year average number of non-felony bookings for specified crimes at a rate not to exceed the actual administrative cost of processing a booking; and

WHEREAS, the Solano County Auditor-Controller submitted its annual report of the actual administrative costs for functions performed by the Solano County Sheriff's Department in receiving an arrestee into a County detention facility to the Board of Supervisors; and

WHEREAS, the Auditor-Controller's report concludes that the 100% of the \$285.19 actual administrative costs for performing the book and detain process per booking is equivalent to the jail access fee.

RESOLVED, the Solano County Board of Supervisors confirms that the prorated booking fee for FY 2008/09 is \$10.99 and the jail access fee is \$285.19 per booking.

RESOLVED, the Solano County Board of Supervisors adopts the prorated booking fee of \$10.99 and the jail access fee of \$285.19 for Fiscal Year 2008/09.

RESOLVED, these fees repeal all previously adopted criminal justice administration fees.

Notes:

1. Time based on Jail Operations Study updated in January 2007 and same data was reconfirmed for use in the calculation of FY2008/09 booking cost rate
2. The Booking Process into the County Jail involves 6 staff members working in the Receiving Section of the jail facility. The booking process as defined by the Sheriff's Department, includes but is not limited to the following activities: escorting the defendant, fingerprinting, photograph, compiling arrest reports, completing Department of Justice forms/reports, applicable medical exams, accountability of properties, and processing of bonds/bails or promise to appear (PTA) release.
3. The Book & Release process is shown using only one Correctional Officer. A 10% adjustment factor was included in the time study data to capture those book & releases that are processed on weekends and evenings in the main jail and require additional staff support.
