Monday to Friday
8 AM—5 PM

What is the BAC?

After your case is granted, the Benefits Action Center (BAC) is your one stop for help with your CalFresh (Food Stamps) and/or Medi-Cal/CMSP benefits.

- One phone call connects you with a caseworker who can answer questions and make changes to your case.
- Your questions will be answered faster, as well as reducing the need for you to come in to the office and wait in line.

After you get benefits, the BAC can help when:

I got a job!

I need to know my benefit amount.

My income changed.

My doctor said my Medi-Cal stopped.

I had a baby!

Someone moved into or out of my house.

And more!

I need medicine and my card doesn't work!

My job stopped.

I have CalFresh (Food Stamps), but need Medi-Cal.

I'm pregnant!

I lost my EBT card!

I moved!

I got other health coverage.
