

# From the County Administrator

May 22, 2015

Members of the Board of Supervisors:

I am pleased to transmit to you the FY2015/16 Recommended Budget as a balanced budget of \$892,269,052 that successfully manages to address the Board's strategic priorities and remains consistent with the County's fiscally prudent management policies. The Recommended Budget reflects an increase of \$22,051,524 or 2.5% from the FY2014/15 Adopted Budget and relies on increases in revenues and the use of various fund balances and limited draws from reserves.

The FY2015/16 Recommended Budget works to strengthen the County's position for the future by making strategic investments in technology, programs, and services that focus on the health, well-being, safety, rehabilitation, and recreational needs of the communities throughout the county and our workforce. To successfully carry out, existing and mandated activities necessitates not only trained and skilled staff, but in this age of self-help and limited resources, it will require the implementation of new technology to provide staff the tools necessary to perform and succeed at their jobs. The budget includes a continuing investment in the maintenance and improvements of County facilities, providing for safe, quality accommodations in which to conduct business. Finally, by addressing the needs of our workforce, the budget includes funding for employee training and development programs, allowing the County to meet the changing needs of those who live, work and visit here.

The Recommended Budget provides for a workforce of 2,926.45 full-time employee (FTE) positions, excluding extra help positions. This total reflects a net increase of 110.70 FTE from FY2014/15 Adopted Budget. This modest increase of 3.9 percent addresses new mandates and associated services related to Public Safety Realignment, Proposition 47, Affordable Care Act (ACA), the Stanton Correctional Facility, cost avoidance measures, and changes in operational needs driven by workload.

The FY2014/15 Recommended Budget was compiled based on the goal that each department target and submit a "no increase" in General Fund cost budget compared to FY2014/15 Midyear. While achieving this was not possible in all situations, it does reflect a concerted effort by departments to offset increasing operational costs by exploring other ways to provide services without increasing expenditures. The County Budget for FY2015/16 is balanced. While we continue to have a structural gap between revenues and expenditures in the General Fund, the gap has narrowed through the efforts of everyone. We are relying on the use of one time fund balances in various funds and draws from committed reserves to fill the gap. Departments must continue efforts to maximize revenues and cost recovery opportunities to provide services while reducing ongoing cost of services.

Crafting a balanced budget takes a concerted team effort by many. Our Department Heads and their fiscal staff, along with members of my staff, have spent the past five months compiling data, projecting expenditures, revenues, workloads and staffing needs; meticulously reviewing programs to achieve a balanced budget. This is a time

SOLANO  
COUNTY

County of Solano

# Recommended Budget

consuming and sometimes arduous task, and I am proud and appreciative of everyone who contributed to this long but important process. I especially want to thank the CAO Budget Team who compiled the Recommended Budget: Assistant County Administrator Nancy Huston, Ron Grassi, Ian Goldberg, Michelle Heppner, Emily Combs, Chris Rogers, Magen Yambao, Jodene Nolan, Matthew Davis, Marc Fox, Donna Caldwell, Auditor-Controller Simona Padilla-Scholtens, Assistant Auditor-Controller Phyllis Taynton and Auditor-Controller staff.

In closing, I want to recognize and thank the Department Heads, County employees and our community partners who have continued the ongoing effort to identify opportunities to redesign services and reduce costs to enable the community to receive excellent and needed services while the County continues its efforts to address shortfalls in General Fund and comply with new mandates. As we move forward in FY2015/16, we will continue to collaborate inside and outside the organization to leverage resources in order to provide effective and fiscally responsible services.

Respectfully submitted,

Birgitta E. Corsello  
County Administrator
