

## **Veterans may qualify for reduced recreation license fees**

Solano County veterans may qualify for a number of free and reduced parks and recreation license fees, including hunting and fishing licenses issued by the California Department of Fish and Wildlife.

### **Hunting Licenses**

Hunting licenses are available to any resident or non-resident veteran in the state with a 50 percent or greater service-connected disability and who chooses to hunt birds or mammals. Certification from the United States Department of Veterans Affairs (VA) is required at the time of application. A copy of a previous year's California Disabled Veterans Hunting License will also suffice.

A fee reduction is also available for service members who are recovering from serious service-related injuries and who are a member of the National Guard. A letter from the unit commander is required to verify the service related condition.

The fee for service members looking for a reduced hunting license is \$6.95. Visit the Department of Fish and Game's website at [www.dfg.ca.gov](http://www.dfg.ca.gov) for more information.

FREE hunting licenses are available to veterans who are mobility impaired. Mobility impaired veterans use a motorized vehicle to hunt game. The licenses are available to residents and non-resident veterans and are for muzzleloader and archer hunters who have severe disabilities that impair their ability to hunt normally.

### **Fishing Licenses**

Veterans may also be eligible for reduced-fee fishing licenses, specifically those who have been honorably-discharged from the US Armed Forces with a service-connected disability rating of 50 percent or more and proof of the disability from the VA. A copy of the previous year's license is also acceptable and should be presented at the time of application.
