IT'S YOUR MONEY

Get It!

THE STATE AND FEDERAL EARNED INCOME TAX CREDITS (EITCs) are special tax breaks for people who work full or part time. This means extra cash in your pocket. If you have work income, you can file your returns and claim your EITC refunds, even if you don't owe any income tax.

State EITC requires filing of your state tax return (form 540 2EZ or 540) and having earned income reported on a W-2 form (i.e. wages, salaries, and tips) subject to California withholding. Self-employment income cannot be used to qualify for state credit.

Number of Qualifying Children	State EITC Income Limits	State EITC Maximum Credits
None	\$6,717	\$217
1	\$10,087	\$1,452
2	\$14,161	\$2,406
3 or more	\$14,161	\$2,706

Just file your state and/or federal tax returns. Be sure to check both state (<http://caleitc4me.org>) and federal (www.irs.gov/Credits-&-Deductions/Individuals/Earned-Income-Tax-Credit) eligibility requirements.

You can also file amended returns for three years back if you did not claim your EITC or CTC in prior years. There is no late filing penalty if you do not owe any tax in the prior year.
