

Exhibit B, Appendix A-6: Low Risk Activity – Satellite Wagering Facilities and Racetracks

On June 5, 2020 the State released Industry Guidance for satellite wagering facilities and racetracks, and current local conditions and disease epidemiology related to COVID-19 support allowing these facilities to operate in accordance with the State's guidance.

The State's guidance currently restricts racetracks from allowing spectators. Racetrack operators should occasionally review the state guidance to determine if spectators are conditionally allowed at a later date.

Restaurants, bars, lounges, retail shopping, indoor and outdoor sporting and entertainment venues, associated with satellite wagering facility and racetrack operations must meet the requirements contained in this Order for those specific types of operations to be open.

Prior to re-opening or commencing expanded operations, the operator must ensure that their facility is clean and ready for guests by ensuring the following:

- A. The facility is operable, cleaned and stocked:
 1. All equipment, plumbing, and ventilation systems are operational.
 2. There is an adequate supply of PPE for staff, contractors, vendors, and, if needed, customers.
 3. The facility is thoroughly cleaned and disinfected, including all employee and customer areas.
 4. Sanitation and disinfecting supplies, such as sanitizing wipes and hand sanitizer, are provided at various locations throughout the facility for employees and customers with attention to entrances and exits, counter areas, seating areas.
- B. Review the guidance provided in the State of California "[COVID-19 INDUSTRY GUIDANCE: Cardrooms, Satellite Wagering Facilities, and Racetracks](#)" (Industry Guidance) found at <https://covid19.ca.gov/pdf/guidance-cardrooms-racetracks.pdf>.
- C. Implement the [Industry Guidance](#) criteria applicable to the facility. This includes employee training, employee health monitoring, use of physical separation methods or barriers, use of personal protective equipment (PPE) such as face coverings in areas where workers cannot maintain six feet from customers, increased cleaning and sanitation, customer health screening and facial covering recommendations, and other applicable guidance criteria.
- D. Print out the [Industry Guidance](#) and place a check mark by each bullet point that is implemented at the establishment. Cross out those bullet points and associated paragraphs that are not applicable. Attach the completed [Industry Guidance](#) and any other site specific protocols to meet the [Industry Guidance](#) and this Order to the cover sheet in Attachment A-6A. This will be the written plan for social distancing (Written Plan) for the facility.
- E. Designate a COVID-19 supervisor to ensure the implementation of the facility's Written Plan. The designated COVID-19 supervisor shall be present on-site at all times the facility is open. The COVID-19 supervisor can be an on-site worker who is designated to carry this role. More than one COVID-19 supervisor may be designated to account for multiple shifts or zones within the facility. However, if multiple COVID-19 supervisors are designated, then only one shall be responsible for the overall facility compliance with the Written Plan.
- F. Post the COVID-19 related signage visible to employees and guests:
 - i. Post at or near each entrance door in a manner that is readily visible to the public and employees the following signs:

- a. A sign stating that the facility has a Written Plan available for review and stating the name and phone number of an on-site person who can be contacted regarding details of the Written Plan. A sample [Written Plan entrance sign](#) can be found on the County's website at <http://www.solanocounty.com/civicax/filebank/blobdload.aspx?blobid=32285>.
 - b. A sign stating to stay home if you have a cough, fever or feel unwell; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one's elbow; wear face covering in public; and avoid physical contact. A sample [Help Our Community Stay Healthy sign](#) can be found on the County's website at <http://www.solanocounty.com/civicax/filebank/blobdload.aspx?blobid=32286>.
 - ii. Post, in areas visible to workers and public at various locations throughout the facility, including pool areas, signs providing general guidance on practices to help reduce the risk of spreading COVID-19, including not touching face; washing hands with soap and water for at least 20 seconds; cleaning and disinfecting frequently touched objects; covering the mouth and nose when coughing or sneezing as well as other hygienic recommendations by the CDC. A sample [Stop the Spread of Germs sign](#) can be found on the County's website at <http://www.solanocounty.com/civicax/filebank/blobdload.aspx?blobid=32283>.
- G. Provide a copy of the Written Plan to all employees and have the plan available to the public upon request for their review. Providing the Written Plan in an electronic format is acceptable.
- H. The satellite wagering facility or racetrack may re-open or expand its services to the public once all criteria in this section are completed.

Once open, the satellite wagering facility or racetrack must abide by all applicable [Industry Guidance](#) requirements, requirements of this Order, and their Written Plan.
