

SUPERVISOR MONICA BROWN CORONAVIRUS UPDATE 21 (08/21/2020)

Hello Benicia, Fairfield, and Vallejo,

Welcome to my most recent Coronavirus update. Please don't hesitate to contact me if I can be of any assistance to you. I can be reached at 707-784-3031 or at mebrown@solanocounty.com.

The heatwave and the fires on top of the pandemic has been extremely trying on our county. I know how difficult this has been for all of us. I spent Wednesday night at Rodriguez High School assisting with the evacuation response. It breaks my heart to see the devastation this fire has cause our county. Please take all necessary precautions and follow all public safety advisories. It is also heartbreaking to report that we have lost more of our Solano County family to Covid-19. Generally, we do not know who specifically passed away from Covid-19 in our county because of their privacy. However, one family from Vallejo has shared the story of the loss of a loved one. Manuel Mendoza was a resident of Vallejo and was 49 years old. He was in the hospital for 30 days and ultimately passed away from complications of Covid-19.

While every loss of a member of our Solano County family is heartbreaking, it was particularly difficult to read about Manuel's passing. Seeing his story and the impact his loss has had on his family puts a face to all the numbers we have seen. Behind the numbers is someone's parent, child, grandchild, spouse, sibling, co-worker, or friend.

Manuel leaves behind a fiancée, a 6-year-old son and a 6-month-old daughter as well as other friends and family. This update is dedicated to Manuel's memory
