DISCLAIMER

The Environmental Health Division of Resource Management provides this list of companies as an informational service. Environmental Health and Solano County accept no responsibility for the performance of the consultants or companies listed and make no representation, either expressed or implied, regarding their competence or expertise. Septic construction does not have to be performed by a company on this list – any properly licensed professional can perform those services for you.

It is recommended that persons select system installers that are appropriately licensed by the Contractors State License Board. You may check the status of the license at: <http://www.cslb.ca.gov/>
