National Night Out – This Tuesday, August 1

This Tuesday, August 1st is National Night Out – a national effort to build strong, caring and connected neighborhoods while forming better partnerships with local law enforcement. Millions will once again take part in this annual event held on the first Tuesday in August through block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more. There's just no substitute for neighbors getting to know one another when we're trying to create healthier and safer neighborhoods. With gatherings happening throughout Solano County, there's sure to be one near you:

In **Fairfield** at Allan Witt Park from 5:00 – 7:00 p.m., come celebrate with City Parks & Recreation. Enjoy a Free Family Pool Party with BBQ Hot Dogs, Games, Crafts and a Live DJ

About Me, The 5th District and Contacting My Office

About Me

I'm honored to serve as your representative on the Solano County Board of Supervisors since taking office in January 2021. As you may know, I spent 10 years on the Vacaville City Council and retired from the Solano County Sheriff's Office – I've spent my entire adult life in public service, and I'm pleased to be able to continue in this new role. My wife, Tonya, and I were both raised here, and are raising our girls here. I'm committed not just to strengthening our communities today, but to ensuring the next generation has the opportunity to thrive.

About the 5th District

The 5th District is a beautiful little slice of Solano County – including the City of Rio Vista, Elmira, portions of the Cities of Fairfield, Suisun City and Vacaville, as well as the beautiful rolling hills of Eastern Solano County. The 5th District is the proud home of thousands of airmen and civilian employees at Travis Air Force Base, hundreds of small farms, orchards and ranches, and a portion of the San Francisco Bay Delta – the largest estuary on the west coast of North and South America, and the world's only inland Delta.
