Notice of Intention to Circulate Petition

Registrar of Voters

Notice is hereby given by the persons whose names appear hereon of their intention to circulate a petition within the County of Solano for an initiative measure to amend the County General Plan and the County Code, and to comply with the County's requirement for voter approval of certain changes to the County General Plan (Measure T). A statement of the reasons for the proposed action as contemplated in the petition is as follows:

To build a better Solano County, with more middle-class homes, more good paying jobs, and cleaner energy, the people of the County of Solano hereby desire to:

Authorize construction of a new community that provides middle class homes and good paying jobs on lands in east Solano County with a total size of approximately 18,600 acres (about the same or smaller in acreage than each of Fairfield, Vacaville, and Vallejo), including ten (10) "Voter Guarantees" identified in the initiative measure, binding on the Applicant, and enforceable by the County of Solano.

1. Create the Travis Security Zone to protect Travis Air Force Base ("Travis AFB") by almost doubling the size of the current Travis Reserve Area from 7,971 acres in the 2008 General Plan to approximately 14,900 acres, where new residential and commercial community development is prohibited, and only agriculture, open space, and solar farms are allowed (provided that the solar technology is acceptable to Travis AFB); and
2. Create the Rio Vista Parkland, an open space buffer of approximately 712 acres between the new community and Rio Vista, that preserves the unique character and separate identity of each community while creating a shared open space resource with parks, sports facilities, and bike paths to benefit both communities.
