Project Title: Foothill Drive Bike Connection and Safety Improvements

Project Applicant: Solano County Department of Resource Management, Public Works Engineering

Project Location (include county): Foothill Drive, 0.06 mile east of Pleasants Valley Road, Solano County

Project Description:

The Project will pulverize the existing, County owned, 24-foot-wide asphalt road from 100 feet east of the bridge at Encinosa Creek, to the Vacaville City limit, and construct a 32-foot-wide paved roadway on a new alignment for safety purposes. Site amenities will include, asphalt paved driveway connections, sign relocations, roadside ditch installation, addition of bike lanes, construction of one block retaining wall, on-site mitigation for tree removal, and slope stabilization.

This is to advise that the Solano County Department of Resource Management has approved the above (Lead Agency or Responsible Agency)

described project on June 4, 2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
