COUNTY OF SOLANO
CLASS SPECIFICATION
AIRPORT MANAGER

CLASS SUMMARY:
Under general direction, the Airport Manager plans, supervises, organizes, directs and manages the daily operations and economic development of the Nut Tree Airport property, facilities, and services in accordance with Solano County expectations and polices and Federal, State and local regulations; serves as a member of the Department's management team. Incumbents of this class assume significant responsibility for preparing and administering assigned budgets and grant funding; participate in the development and implementation of Solano County goals, objectives, policies, and priorities for short- and long-term operational activities. The class/position is an at-will position, exempt from civil service. The incumbent serves at the discretion of the Appointment Authority.

DISTINGUISHING CHARACTERISTICS:
This class is distinguished from the:

- **Director of General Services** class, which plans, organizes, and directs the activities of the Department of General Services including architectural and real estate services, facilities operations, central services (purchasing, mail, records, and surplus property), fleet services, and the Nut Tree Airport;

- **Assistant Director of General Services** class, which assists the Director of General Services in managing the operations of the County's General Services Department through the supervision of subordinate supervisory, professional, technical, and support staff;

- **Facilities Operations Manager** class, which manages, plans, organizes, directs, and oversees the maintenance programs and operations for all County facilities excluding the Nut Tree Airport.

SUPERVISION RECEIVED AND EXERCISED
Supervision is provided by Director of General Services or designee.

AND

Exercises supervision over maintenance and clerical staff.

ESSENTIAL DUTIES: This class specification represents the core area of responsibilities; specific position assignments will vary depending on the needs of the department.
