COUNTY OF SOLANO

FIXED ASSETS TECHNICIAN

DEFINITION

Maintains and updates the County’s inventory accounting records systems; monitors and oversees compliance with the County’s fixed assets polices and procedures.

CLASS CHARACTERISTICS

This is a technical level, single position classification performed within the Auditor-Controller’s Office. The incumbent performs tasks that relate to continuous inventoring, labeling, recording of and accounting for the County’s fixed assets. The incumbent works within a framework of established procedures and is expected to perform a full range of duties with only occasional instruction or assistance.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Accounting Supervisor.

Exercises no supervision.

EXAMPLES OF DUTIES —Duties may include but are not limited to the following:

Maintains the County’s fixed asset inventory system; reviews countywide fixed asset activity for proper classification and capitalization in accordance with County policies and generally accepted accounting principles; assigns asset life and classification to assets within the inventory system; assigns function and class codes to ensure proper depreciation.

Reconciles the fixed asset database to the general ledger account balances.

Performs periodic physical inventory of County departments’ assets; provides technical support to departments on accounting procedures for fixed assets; reviews policies and procedures with department staff; prepares reports and follows up to resolve issues.

Coordinates the countywide annual physical inventory of assets; provides direction on the proper inventory procedures for the manual and the automated inventory processes; works with County departments to resolve problems; enforces deadlines and provides assistance to departments as needed.

Provides technical assistance in the resolution of fixed asset problems; provides training to department staff on policies and procedures related to fixed assets.
Reviews all lease purchase agreements for capital assets to ensure proper accounting for leased assets.

Compiles and prepares the annual fixed asset report of additions, deletions and transfers for audit purposes.

Compiles mid-year fixed asset report for presentation to the Board of Supervisors.

Maintains professional knowledge in applicable areas and keeps abreast of changes in job-related rules, statutes, laws and new business trends; makes recommendations for the implementation of changes; reads and interprets professional literature; attends training programs, workshops and seminars as appropriate.
