COUNTY OF SOLANO

PLANNER (ASSISTANT)

Rev. 09/05

DEFINITION

Performs a variety of professional planning duties in current and/or advanced planning; processes permits and provides information to the public.

CLASS CHARACTERISTICS

This is the entry level in the professional Planner series. Positions in this class have a land use planning emphasis and are characterized by responsibility for providing staff support in policy and land use planning. Incumbents at this level learn to apply the principles and concepts of planning initially and progressively receive more difficult assignments. This class is distinguished from the Planner (Journey/Associate) in that the latter is the journey level in the series and independently performs professional planning work of moderate complexity.

SUPERVISION RECEIVED AND EXERCISED

Received general supervision from the Principal Planner.

Exercises no supervision.

EXAMPLES OF DUTIES –Duties may include but are not limited to the following:

Responds to public counter and phone inquires from the public by providing information regarding the General Plan, the zoning code, the subdivision ordinance, California Environmental Quality Act, and other regulations.

Receives, reviews and processes land use permits, general plan amendments, and agricultural preserve applications for conformance with the general plan, zoning codes and other requirements and prepares staff reports recommending appropriate action.

Processes business licenses, certificates of compliance, oil and gas drilling permits, agricultural preserve applications and others.

Prepares initial studies and negative declarations for projects and reviews consultant prepared environmental documents. Conducts site inspections and prepares related reports.
Assists in the preparation of General Plan elements and other related planning documents, including supporting GIS activities.
Assists in the preparation and presentation of information on planning and zoning theory, history, methodology, legal requirements and current issues for the Planning Commission and the community.

Maintains professional knowledge in applicable areas and keeps abreast of changes in job-related rules, statutes, laws and new business trends; makes recommendations for the implementation of changes; reads and interprets professional literature; attends training programs, workshops and seminars as appropriate.
