

COUNTY OF SOLANO

PUBLIC DEFENDER INVESTIGATOR

DEFINITION

Plans and conducts investigations to gather information for use in the legal defense of criminal and civil charges.

CLASS CHARACTERISTICS

This is the full working level in defense investigative work in support of the Public Defender function; positions are therefore allocated to each Public Defender Office. Incumbents work with minimal supervision, determining own work priorities and methods after consulting with defense attorneys requesting investigative support. Incumbents perform a broad range of investigative duties including those of a complex nature, requiring competency in law enforcement methods and investigative techniques. This class is distinguished from the District Attorney Investigator in that the latter is engaged in the full range of investigative duties coupled with active law enforcement activities.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Chief Investigator or other supervisory level employee.

Exercises supervision over technical staff.

EXAMPLES OF DUTIES *–Duties may include but are not limited to the following:*

Reviews written requests for investigations from criminal defense attorneys; plans and conducts investigations to support a wide variety of criminal defense work.

Locates and interviews the defendant, complaint witnesses and victims; gathers pertinent information and evidence; reviews and analyzes police reports, witness statements, diagrams and photographs; consults with expert witnesses; contacts and coordinates with various agencies to obtain or verify information, facts and evidence; conducts computer and legal document searches. Conducts surveillance activities; searches and reviews crime scenes.

Coordinates with defense attorneys regarding findings of investigations, presentation of evidence, credibility and sequence of witnesses and other pre-trial preparations; provides court support for attorneys.

Prepares written and verbal reports containing facts and findings; makes recommendations on issues valuable to the defense; documents actions in case files; may draw charts, scale drawings and diagrams; operates cameras, electronic sound or video equipment, and other devices used in investigation activities; may operate polygraph equipment; coordinates discovery of evidence.

Reviews and subpoenas evidence from labs, police and other agencies for use in defense of a case; serves subpoenas on witnesses; coordinates witness court appearances and prepares witnesses to testify; provides transportation to witnesses; answers questions and explains court procedures; testifies and presents evidence in court as needed.

Maintains professional knowledge in applicable areas and keeps abreast of changes in job-related rules, statutes, laws and new business trends; makes recommendations for the implementation of changes; reads and interprets professional literature; attends training programs, workshops and seminars as appropriate.
