

Solano County - Application List

Name	Operational status	Updated	Description	Used for
ABIS	In Use	3/12/2019	Automated Biometric System - Future replacement/upgrade of Idemia AFIS	Production
Accela Citizen Access	In Use	3/12/2019	Resource Management online permitting and public information - linked to Accela Civic Platform	Production
Accela Civic Platform	In Use	3/12/2019	Resource Management Permit and Licensing Software	Production
Accurint	In Use	3/12/2019	Background checking/skip checking	Production
AES	In Use	3/12/2019	Comp Sales Valuation System	Production
AgileFlow (AGF) Records Manager	In Use	3/12/2019	Document Management System	Production
Agricultural Activity Tracking (AgTrack)	In Use	3/12/2019	Time and activity tracking application for Ag Biologists and Weights and Measures staff. Creates Bi-weekly timesheets, and state reports for activities within various agricultural programs.	Production
APEX (Application Express)	In Use	3/12/2019	Web based application development tool for end users to develop their own applications.	Production
Application Xtender	In Use	3/12/2019	Documentum - Document management system	Production

Solano County - Application List

Applications DRP	In Use	3/12/2019	Multi-user applications inventory with basic disaster recovery information. Online application at http://cacwai01/AppDRP . Reports are generated from data and sent off site in the applications section of the Disaster Recovery Plan	Production
ARIES	In Use	3/12/2019	Automated Regional Information Exchange System County Law Enforcement Data Sharing Application	Production
ARIES - HSS	In Use	3/12/2019	AIDS Registration Information and Evaluation System	Production
ATIMS	In Use	2/14/2019	Advanced Technology Information Management Systems (ATIMS) Web-based Jail Management System	Production
Automated Fingerprint Information System (AFIS)	In Use	3/12/2019	Automated Fingerprint Information System; AFIS Mugshot systems - Operations handles the backups for this system and responsible for placing service calls.	Production
AutoMon	In Use	3/12/2019	Programs Assessment and Case Management System	Production
Avatar	In Use	3/12/2019	Electronic Health Record and Practice Management System for Behavioral Health.	Production

Solano County - Application List

AVSS/Net	In Use	3/12/2019	Automated Vital Statistics System hosted at UC Santa Barbara with state-wide access (update and inquiry) via a SSH client over the Internet for birth and death records. It is also used to glean statistical data for epidemiology.	Production
AXIS Camera Station Client & Server	In Use	3/12/2019	Security camera system for Vallejo Probation Office. This one-off system was installed when it was discovered that there wasn't an "easy" way to connect to the Honeywell system at 355 Tuol	Production
Bad Check Restitution Program Signup	In Use	3/12/2019	Allows County businesses to sign up online for the DA's Bad check Restitution Projgram.	Production
BARR/NET	In Use	3/12/2019	Hosted at Santa Clara county with state-wide access (update & inquiry) over the internet.	Production
Biosolids Feedback Complaint Form	In Use	3/12/2019	Allows County residents to comment on and report biosolids issues. (May be expanded to capture any Resource Management related complaints)	Production
Bluezone for DCSS	In Use	3/12/2019	Bluezone concurrent license management, and terminal emulation configuration and installation serving	Production

Solano County - Application List

Bluezone for H&SS	In Use	3/12/2019	Bluezone concurrent license management, and terminal emulation configuration and installation serving	Production
Bluezone for miscellaneous departments	In Use	3/12/2019	Bluezone concurrent license management, and terminal emulation configuration and installation serving	Production
BMI - AssetTrak	In Use	3/12/2019	BMISYS Application used to collect inventory information for fixed assets. Information is collected using BMI hand held scanners.	Production
Boards, Committees and Commissions (BCCWeb)	In Use	3/12/2019	Boards, Committees and Commissions application tracks the length of appointments and the members of boards, committees, and commissions throughout Solano County, and provides Internet access to the information	Production
BottomLine C Series Payroll Check Printing	In Use	2/14/2019		Production
BottomLine C Series Positive Pay-CFA	In Use	2/14/2019		Production
BottomLine C Series Webseries	In Use	2/14/2019		Production

Solano County - Application List

byRequest	In Use	3/12/2019	byREQUEST is an automated report publisher and file mover designed to interface with and provide electronic distribution from any of your Enterprise-level computers	Production
C Series	In Use	2/14/2019		Production
CA Government SFTP	In Use	3/12/2019	California SFTP site used to obtain PRCS packets.	Production
CAD	In Use	3/12/2019	Computer Aided Dispatching System	Production
CAD - Historical	In Use	3/12/2019	Legacy Computer Aided Dispatch (CAD) system data archive	Production
CAD - Reporting	In Use	3/12/2019	Supplemental reporting database required for complex reports drawn from the TriTech (formerly VisionAir) CAD system.	Production
CalPhoto	In Use	3/12/2019	Extracts Photos and data from ImageTrak and passes it to the CalPhoto MySQL server that is accessible to all other California agencies. Calphoto is hosted in the Cal DOJ Network Segment & is accessed by CAL DOJ.	Production
CALWIN	In Use	3/12/2019	State applicaion	Production
CalWIN Cash Issuance Interfaces	In Use	3/12/2019	Programs and processes required to generate warrants, interface with bank and IFAS, and process reconciliation information back to CalWIN	Production

Solano County - Application List

CalWIN Office Issuance (CalWINOI)	In Use	3/12/2019	Web application to provide issuance data entry and approval by Deputy Auditors. Data is submitted to batch programs to format data and transfer it to Paybase for office printing in Fairfield, Vallejo or Vacaville on MICR printers. Bottomline Technologies supports the printers and PayBase software.	Production
CalWIN Solano County Information Server (CIS) and Data Extracts	In Use	2/14/2019		Production
CampaignDocs	In Use	2/14/2019	Full-featured system for managing the business process of the FPPC-mandated Campaign Disclosure Filing.	Production
CAMS	In Use	3/12/2019	Resource Management Pub Works Cost Accounting	Production
Camtasia	In Use	3/12/2019	Audio Video editing studio	Production
CareWare	In Use	3/12/2019	Management and monitoring of HIV Care. Version: 4.0	Production
CASE	In Use	2/14/2019	Probation case management system. Interfaces: OffenderLink, ARIES, Level II, JCPSS, AutoMon, CaseWeb	Production

Solano County - Application List

Case Folder Tracking (CFT)	In Use	3/12/2019	Expanded version of CDSPurge provides access to data on cases purged from the CDS system, and to case information not converted to CalWIN, for the purpose of tracking physical folders. Allows for the creation of new case entries for tracking services cases which can not be tracked in CalWIN.	Production
Ce Connect Suite	In Use	3/12/2019	Provides assessment administration, case plan management and program/provider management Modules: Ce Assessments, Ce Planning, Ce Programs, Ce Provider, Ce Sync	Production
CEDTS	In Use	3/12/2019	California Electronic Data Transmission System. Used by growers to submit Permits, Notices of Intent, and Pesticide Use Reporting information to the County Agricultural Commissioner (CAC)	Production
Chameleon	In Use	3/12/2019	Animal Control Shelter Management, licensing tracking and billing system. DB name - Animal	Production

Solano County - Application List

Check Point	In Use	3/12/2019	Full Disk and Portable Media Protection for DoIT & H&SS computers and Solano County laptops.	Production
Check-In Check-Out	In Use	3/12/2019	Electronic in/out board. Also has Reminder and Reception components. Multiple Departments use this application.	Production
CIP - Capital Improvements Program	In Use	3/12/2019	Tracks 5 year plan for county capital improvements. Generates a book that tracks all the funding and plans for future development. Used by GS - Architects. System was initially written by Santa Barbara County and adapted to Solano by Bill Patten. Bill is no longer supporting programs like this. He is retired. Kanon advises he has recommend a replacement developer to Orlie. System is now in its 16 update cycle.	Production
Citrix XenDesktop, NetScaler	In Use	3/12/2019	Citrix XenDesktop provides access to County applications on Virtual Desktop over thin-client connection. Citrix NetScaler allows secure connectivity for external users via SSL_VPN. Multiple client platforms are supported, including PC, Mac, Android and iOS.	Production

Solano County - Application List

Civil	In Use	2/14/2019	Maintains Civil legal documents (e.g. evictions and small claims)	Production
Clerk Docs	In Use	3/12/2019	Generation of eMarrige, emarriageScheduler, eFBN, eNotary, ProcessServer, LegalDocAssist, PPC, UnlawfulDetainerAssistant Documents.	Production
