

COUNTY OF SOLANO

CLASS SPECIFICATION

Medical Billing Supervisor

CLASS SUMMARY:

Under general direction and with independent judgment, plans, organizes and supervises the medical insurance billing functions and accounting/clerical staff for the Department of Health and Social Services' Medical Billing Unit; assists in developing, implementing and maintaining the department-specific patient accounting and billing systems; serves as the electronic health record billing liaison between the County and the State; and resolves technical billing problems in coordination with the claim management system and clearing house provider.

DISTINGUISHING CHARACTERISTICS:

The Medical Billing Supervisor is a single-position class specializing in medical insurance billing, distinguished from the countywide classes of:

- **Accounting Supervisor** which is characterized by the responsibility to supervise the work of accounting/clerical staff engaged in the maintenance of an account records system.
- **Accounting Technician** which is characterized by the responsibility for advanced accounting support and/or leading the work of accounting/clerical staff performing these tasks.
- **Accountant** which is characterized by the responsibility for applying professional accounting principles to facilitate fiscal control and performing financial analysis within a County department.

SUPERVISION RECEIVED AND EXERCISED:

Supervision is provided by the next higher level supervisory and/or management position.

AND

Supervises three or more accounting and/or clerical staff performing medical insurance billing and coding activities.

ESSENTIAL DUTIES: This class specification represents the core area of responsibilities; specific assignments will vary depending on the needs of the department.

- Performs complex and technical medical coding, billing, and accounting/bookkeeping activities to ensure maximum healthcare insurance reimbursements, by:
 - overseeing the reimbursement management operations of the medical billing unit, encompassing medical coding; charge entries; claims submissions; appeal submittals; payment postings; journal vouchering; accounts receivables; error research, reconciliations, and corrections; collections; insurance and bad debt write-offs, and quality control;
 - ensuring compliance with federal, state, local laws, best accounting practices, departmental protocol, and payer requirements with respect to healthcare reimbursement and medical coding and billing;
 - ensuring strict patient confidentiality;

- reviewing and interpreting operational data to assess need for procedural revisions and enhancements; analyzing trends impacting charges, coding, collection, and accounts receivable; taking appropriate action to realign staff and revise policies and procedures;
 - serving as the expert and go-to person for all coding and billing processes; serving as the electronic health record billing liaison; maintaining library of information/tools related to documentation guidelines and coding;
 - auditing medical coding and billings, claims, and accounting procedures and systems; identifying and resolving technical problems and workflow inefficiencies; and developing workflow improvements for claim transmissions and reconciliations;
 - producing and presenting billing activities and related statistical/financial reports; explaining procedures and discrepancies to county, state, and federal auditors as necessary; and
 - participating in the design and implementation of specific systems to enhance revenue and operating efficiency; and working with the County's Information Technology department and vendors to revise, update, and maintain the medical billing and records systems.
- Performs full-scope, front-line supervisory duties over billing, accounting, and clerical staff assigned to the Medical Billing Unit, such as:
 - Recruiting, interviewing, and selecting; training, coaching, and counseling/mentoring; assigning work activities and deadlines; approving leaves; establishing performance standards, evaluating performance levels; recognizing work efforts and accomplishments; recommending promotions; and proposing disciplinary actions and terminations;
 - explaining medical billing and accounting processes and applications to staff and others;
 - ensuring new and existing staff receive required formal and on-the-job training; providing and recommending career development and mentoring opportunities;
 - responding to employee concerns and problems; providing instruction and/or guidance to staff in handling difficult or complex work problems; and being available for staff needs; and
 - communicating, supporting, and enforcing County and Department policies and procedures.
 - Assists departmental management by:
 - administering the unit's budget; submitting budget recommendations, monitoring expenditures and approving routine purchases;
 - responding to complaints from patients, clients, medical professionals, insurance payors, etc.; recommending changes to improve customer service; and
 - coordinating the work of contractors and consultants with the work of the unit.
 - May represent the department in meeting with representatives from various County and non-County organizations, local businesses, patients, clients, and/or with the general public;
 - Performs other duties of a similar nature or level as assigned.

EDUCATION AND EXPERIENCE:

Education: Associate degree or equivalent from an accredited college or university with a major in medical billing and coding, healthcare accounting, or a field closely related to the intent of the class. Education must have included healthcare industry rules and regulations and current procedural code sets and guidelines for medical billing and coding;

AND

Experience: Three (3) years of direct experience in medical billing and coding or medical accounts receivables; of which one year must have been lead or supervisory experience in any field.

LICENSING, CERTIFICATION AND REGISTRATION REQUIREMENTS:

- Possession of one (1) of a valid and current certification is required, such as a: Certified Coding Associate (CCA), Certified Coding Specialist (CCS), Certified Documentation Expert-Outpatient (CDEO), Certified Professional Coder (CPC), or related certification from a recognized accredited college, university, or professional association (e.g., American Academy of Professional Coders (AAPC) or American Medical Billing Association (AMBA)).
- The position may require the possession of a California Driver's License, Class C.

Note: Employees must keep their licenses, certifications and registrations current while employed in this class and failure to do so may constitute cause for personnel action in accordance with Civil Service Rules and/or applicable bargaining agreement.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:
