**Solano County Disaster Debris Removal Program Exemption Application**

**WHO IS ELEGIBLE FOR AN EXEMPTION?**

Property owners may apply for a Disaster Debris Removal Program Exemption if there is only burn debris on a parcel from non-residential structures less than 120 square feet, fences, and non-structural wood material and the structures did not contain paint, pesticides, herbicides, propane or other similar hazardous substances. No work plan is required if an exemption is issued. A verification inspection by Solano County Environmental Health will occur after receipt of the application and prior to exemption approval. Property owners receiving approval of their exemption status are not eligible for any potential government sponsored Phase I or Phase II Cleanup of the property.

**A. Property Owner Acceptance**

I have reviewed the protocols as stated in the "Conditional Exemption from Solano County Debris Removal Requirements" document. I certify that the only burn debris on my parcel is from non-residential structures less than 120 square feet, fences, and non-structural wood material, and said structures did not contain paint, pesticides, herbicides, propane or other similar hazardous substances.

I understand that access to the property is limited to between dawn to dusk and, in accordance with the County Public Health Order No. 2020-LNU-01, there shall be no temporary occupation or camping on this property without prior written authorization from the County of Solano.
