- Categorical Exemption [CEQA Guidelines §15301 and 15302]
- Statutory Exemption

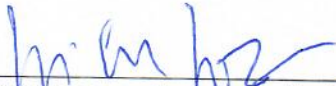

Document Posted From
01-19-2021 to _____

Deputy Clerk of the Board

REASONS WHY THIS PROJECT IS EXEMPT:

The California Environmental Quality Act (Section 21000, et. seq. of the California Public Resources Code, hereafter CEQA) requires analysis of agency approvals of discretionary "projects." A "project," under CEQA, is defined as "the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment." The proposed action is a project under CEQA, and is exempt from CEQA under CEQA Guidelines Sections 15301 "Existing Facilities" and 15302 "Replacement and Reconstruction". The project is fully within public right of way and is for the maintenance and restoration of facilities within the existing location of the play field. The maintenance and restoration work on the facilities will not result in changes to the location, size, purpose and capacity of the facilities.
