Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the 33Public Resources Code.

Project Title: Final Initial Study/Mitigated Negative Declaration for the City of Vacaville Recycled Water Project (Proposed Project)

SCH #: 2020100113 Fred Buderl 707-449-5307
State Clearinghouse Number Contact Person Area Code/Telephone/Extension

Project Description and Location: The purpose of the Proposed Project is to provide approximately 2,830 acre-feet of tertiary treated recycled water from the Easterly WWTP for a variety of beneficial recycled water uses including agricultural irrigation, urban irrigation, and industrial reuse - consistent with the recommended project identified in the City of Vacaville Draft Recycled Water Master Plan, April 2020. The Proposed Project includes approximately 9-miles (48,000 linear feet) of new recycled water distribution pipelines that would connect with the approximately 20-miles of the City's existing recycled water pipelines.

This notice is to advise that City of Vacaville's City Council has approved the Proposed Recycled Water Project on April 13, 2021 and has made the following determination regarding the Proposed Project described above:

- The conclusion of the Final Initial Study/Mitigated Negative Declaration and City of Vacaville City Council is that the Proposed Recycled Water Project will not result in significant impacts or involve any conditions that would require an EIR.

This is to certify that the Public Draft and Final Initial Study/Mitigated Negative Declaration, with consideration of comments received and the record of project approval, are available for review upon request at the City of Vacaville's offices located at 650 Merchant Street, Vacaville, CA 95625.
