### Introduction

Please be advised that the Solano County Solid Waste Local Enforcement Agency (LEA) has received and accepted an application package from Recology Hay Road Landfill to revise the solid waste facility permit. The LEA is certified by the California Department of Resources, Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste facilities within Solano County.

### Description of Project

Recology Hay Road is a 640-acre existing landfill facility located on Hay Road in the unincorporated area of Solano County. The proposed revised permit is to correct the Design Capacity listed on the permit. Currently the design capacity is listed as 46,135,000 cu. yards. The correct capacity allowed by the conditional use permit is 48,500,000 cu. yards. No other changes are proposed.

The LEA's preliminary determination is that the proposed revised permit be approved.

**Informational meeting**

The purpose of the public informational meeting is to provide information related to the proposed permit, describe the process and timeline for permit issuance and provide an opportunity for the public to provide comments to the LEA. No official decisions will be made at this meeting.

**Submitting Comments**

The Solano County LEA will be accepting written comments on the proposed permit until March 23, 2022. Written comments can be submitted to the address listed below or emailed to [mlhannum@solanocounty.com](mailto:mlhannum@solanocounty.com).
