## 1. INTRODUCTION

The County of Solano is soliciting proposals on behalf of the Solano County Sheriff's Office, Office of Emergency Services (Solano OES) to replace and expand the modular furniture used by permanent staff within the Emergency Operations Center (EOC). The existing furniture and configuration do not meet current needs.

## 2. BACKGROUND

Solano OES operates as the Operational Area EOC and houses permanent staff assigned to the division. The EOC can seat up to 44 people during an activation. The building also contains five (5) private offices, one (1) conference room with seating for eight (8), and a reception area made of modular furniture. Solano OES is working to add four (4) additional permanent staff positions. This project is necessary to support additional staff. Funding is from our Emergency Management Performance Grant – American Rescue Plan Act (EMPG-ARPA) allocation.

## 3. SCOPE OF SERVICE/ PROJECT

A summary of the project scope of work consists of the following:

- Assign a project manager as the primary point of contact for the duration of the project.
- In-person evaluation of the current EOC layout within two (2) weeks of contract execution.
- Provide detailed floor plan designs for expansion and reconfiguration (at least three design options) within six (6) weeks of evaluation.
- Order selected modular furniture, including any/all required materials, hardware and/or accessories within two (2) weeks of design selection.
- Install selected modular furniture, including power and data cabling as required for the positions to be fully functional within four (4) weeks of receipt of furniture. *Installation includes disassembly of existing furniture.*
- Schedule required meetings including a written agenda; notes shall be disseminated by the contractor within one (1) week of the meeting date.

All products and materials provided by the contractor shall be new and the manufacturer's most current make or models. Selected Contractor shall not use any products that the manufacturer has deemed obsolete, will be discontinued, or no longer manufacturing.

The Selected Contractor shall provide any/all operation and maintenance manuals for equipment provided and conduct training sessions that demonstrate the full operational capabilities of the equipment.

#### 4. CONTRACT DURATION AND FUNDING AVAILABILITY

The County intends to award one (1) contract not to exceed \$60,000 to the responsible Proposer whose proposal is determined to be the most responsive to the requirements of this RFP. The County reserves the right to award multiple Contracts if it determines that doing so is in its best interest. The term of the resulting Contract(s) will begin on or about August 1, 2022 with the expectation that the work will be completed by December 31, 2022

The funding or portions of this funding for the contract resulting from this RFP may be contingent upon the State budget; receipt of funds from and/or obligation of funds by the Federal government to the State and from the State to the County; and inclusion of sufficient funding for the services hereunder in the budget approved by the County's Board of Supervisors for each fiscal year covered by said contract. If such approval, funding, or appropriations are not forthcoming, or are otherwise limited, the Contract(s) may be immediately terminated, reduced or modified without penalty.

Notwithstanding, the County reserves the right to add terms and conditions, deemed to be in the best interest of the County, during final contract negotiations.

**GENERAL TERMS AND CONDITIONS****1. CLOSING OUT**

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

**2. TIME**

Time is of the essence in all terms and conditions of this Contract.

**3. TIME OF PERFORMANCE**

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

**4. TERMINATION**

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

## 7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

### B. Minimum Scope of Insurance

- (2) Professional Liability: **\$2,000,000** combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or

General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. (3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

**8. BEST EFFORTS**

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.
